I.

A. COVENANTS AND RESTRICTIONS

1. Each of the lots in such subdivision shall hereafter be used only for the construction of one single family residence or main dwelling unit thereon, including other appurtenant structures permitted under the terms hereof, with it being intended that no commercial use of any such lots shall be permitted and, specifically, that no sign shall be placed on any such lot indicating a commercial use thereof, and that such main dwelling units constructed on each such lot shall contain at least 1,900 square feet of main dwelling living area, exclusive of porches, garages and breezeways, except lots 22, 26, 27 and 31 through 65, where each main dwelling unit constructed on each said lot shall contain at least 2,400 square feet of main dwelling living area exclusive of porches, garages and breezeways. It is further understood that one vacation-type mobile-type mobile home or other recreational vehicle may be parked at or near a main dwelling unit in such subdivision provided it is not used as living quarters.

Only fences constructed of quality materials and good workmanship will be allowed. From the front building setback line to the rear of the lot may be chainlink. Certain types of plastic coat or color chainlink to be used from the front building setback line to the street may be submitted to the Architectural Review Committee for consideration. No electric or temporary fences will be allowed. In the case of a corner lot, chainlink can be on or behind the front/side street setback line.

(b) Plans for such resubdivision as described in Paragraph (a) must be submitted to the Restriction Committee for approval prior to resubdivision, partition or partial conveyance. Failure to submit plans for resubdivision for approval will render such resubdivision, partition, partial conveyance or ownership in divided or separate interests void and without effect.

No utility company, water district, political subdivision or other authorized entity using the easements herein referred to shall be liable for any damage done by them or their assigns, agents, employees or servants to property of the owner situation within such easement.
